September 2018

Dear Parents/ Guardians,

The After Care staff will be taking the students to use the gym on occasion. A group of students will go with an After Care staff member for a 1/2 hour to 45 minutes followed by a second group.

There will always be a group of students with an after care staff member in the building at all times. When picking up your child/ children, you must enter the main building first and sign out from the After Care Center. If your child/ children are not in the center, you may pick them up in the gym after you have signed them out.

I understand that the school authorities will take reasonable precautions against accident, personal injury and loss of, or damage to, property while going to, from, and at the site, but they or the Archdiocese of New York are not assuming any legal liability for any such occurrence except any liability based on their failure to take such reasonable precautions.

Please sign and return by Friday, September 7, 2018.

Sincerely,

Mrs. Linda Wisniewski

After Care Coordinator
